

## The ST. CLAIRSVILLE STADIUM IMPROVEMENT PROJECT BUY-a-BRICK FUNDRAISER

**Investing in our Youth and Community**

Plans are underway to make improvements to the existing stadium facility. The Stadium Improvement Committee is selling engraved bricks, so you can become a permanent part of this amazing project and school history. The walls will be constructed adjacent to the press box area where generations to come will be able to view your message. All the money raised will be used to build and improve the new stadium facilities. Everyone is invited to buy a brick to commemorate a special memory, graduation, or loved one. Become a part of St. Clairsville history—BUY-a-BRICK!

**Each engraved brick costs \$100 and measures 4"x8"  
These special bricks are engraved to last forever  
and make great gifts.**

### -----ST. CLAIRSVILLE STADIUM IMPROVEMENT PROJECT – BRICK ORDER FORM-----

Please complete the order form below with your information spelled correctly and legibly. Additional order forms may be picked up at the Administration Building, High School Office, Jenkins Sporting Goods, or the Athletic Office.

There are 3 lines of engraving per brick with 18 characters per line including spaces between names and punctuation. All text is centered unless otherwise noted (see examples).

All bricks will be reviewed by the Committee for content
